2 COUNCIL BUSINESS

A. Six Year Transportation Improvement Plan (TIP) Update

Community Development Director Jeremy Metzler presented the annual update to the City's Six-Year Transportation Improvement Plan (TIP). The update aligns with the Capital Improvement Plan adopted in 2025 and reflects anticipated transportation project expenditures through 2032. Staff reported that recent concurrency-model questions were reviewed with Transpo, and while the SR-167 project is expected to shift some traffic from Meridian Avenue, no significant changes to the model are anticipated. A total of 16 transportation projects are included in the plan. Council agreed to move the update forward onto an upcoming Consent Agenda for consideration.

B. Amending Ordinance 26-0711 pertaining to the age limit and parental supervision on e-scooters (*CM Pazaruski, Sponsor / CM Ramirez, Co-Sponsor*)
