

**CITY OF EDGEWOOD
COUNCIL STUDY SESSION AGENDA**

Tuesday, August 3, 2021 – 7:00 PM ♦ City Hall – 2224 104th Avenue East ♦ Edgewood, WA

1. CALL TO ORDER

Roll Call, Pledge of Allegiance

2. COUNCIL BUSINESS

A. Discussion – Equity, Diversity and Inclusion (Trainings, Planning, etc.)

B. Discussion - Ordinance - GSP Phase 1 Map Amendment

C. Discussion - Puyallup School District - School Zone Beacon MOU

D. Discussion – 2nd Quarter Financials

E. Discussion – Ordinance – Noise

3. OTHER COUNCIL ITEMS

4. ADJOURN

Study Sessions are meetings for Council to review upcoming and pertinent business of the City, no action is taken by the City Council. Study Sessions are open to the public, but public input is reserved for the regular Council meetings

City Of Edgewood Council Agenda Summary Sheet

Subject: Discussion – Equity, Diversity and Inclusion (Trainings, Planning, etc.)	Agenda Item #: 2.A
	For Agenda of: 8/3/2021
	Prepared by: Daryl Eiding
Attachments (list):	
Approval of Materials: Daryl Eiding Dave Gray 7/29/2021 Daryl Eiding 7/29/2021	Expenditure Required:
	Amount Budgeted:
	Timeline: Topic to be added to all future Study Sessions (see item history below)

Summary Statement:

City Council is committed to creating a stronger and more inclusive community and believe that equity, diversity and inclusion is essential for our present and our future.

Item History:

Council has asked that this topic be a discussion item at all future study sessions for the foreseeable future. Council has discussed Equity, Diversity and Inclusion trainings and planning at the following meetings:

09/01/2020 Study Session
 09/15/2020 Study Session
 09/29/2020 Study Session
 10/06/2020 Study Session
 10/20/2020 Study Session
 11/03/2020 Study Session
 11/24/2020 Study Session
 12/05/2020 Part I - National League of Cities - REAL Action: Advancing Racial Equity in Edgewood
 12/12/2020 Part II - National League of Cities - REAL Action: Advancing Racial Equity in Edgewood

City Of Edgewood Council Agenda Summary Sheet

Subject: Discussion - Ordinance - GSP Phase 1 Map Amendment	Agenda Item #: 2.B
	For Agenda of: 8/3/2021
	Prepared by: Jeremy Metzler
Attachments (list): 1. 21-1335_ SEPA DNS AdoptionAddendum_Edgewood GSP Phase I Map Amendment 2. DRAFT Ordinance 21-xxxx - GSP Map Update 3. First amendment to ILA between City and LWSD 4. Proposed Exhibit C-1	
Approval of Materials: Jeremy Metzler Dave Gray 7/29/2021 Daryl Eidinger 7/29/2021	Expenditure Required: N/A
	Amount Budgeted: N/A
	Timeline: 08/03/2021 SS 08/10/2021 RCM PH 08/17/2021 SS 08/24/2021 RCM

Summary Statement:

Council authorized a contract with Gray & Osborne, Inc. (G&O) to update the City's General Sewer Plan (GSP) in August 2019 by Resolution 19-0470. Staff has been working with G&O since that date to collect data, analyze tributary basins, and evaluate the existing system's capacity. We have confirmed the existing system has capacity to serve all of the Phase 1 area as presently mapped, as well as portions of Phase 2. While it has taken longer than anticipated, Staff continues working with G&O on the updated GSP draft, is working with adjacent agencies to confirm availability and capacity in their systems to serve portions of Edgewood, and hope to have something for review soon.

During the process of updating the GSP, staff also discovered several parcels adjacent to the Phase 1 service area have been rezoned since the service area map was originally generated, now being zoned either SF-5, C or MUR, and development of these parcels is significantly hindered by the present lack of sewer availability. Therefore, as capacity exists, staff proposes amending the Phase 1 service area map to include these parcels. Attached is the recently issued SEPA Determination of Nonsignificance (DNS), including a map showing the proposed updates and Environmental Checklist, as well as a draft ordinance for said map change.

This action also requires an amendment to the Interlocal Agreement (ILA) with Lakehaven Water & Sewer. The draft ILA amendment is also attached for Council review and consideration, for potential action at a future regular council meeting. City Staff are working with Lakehaven Staff to coordinate their Board's consideration and action.

Determination of Nonsignificance (DNS) Adoption/Addendum

City of Edgewood ■ 2224 104th Ave East ■ Edgewood, Washington 98372-1513 ■ 253-952-3299

Date of Issuance:	July 26, 2021
Proposal Name:	City of Edgewood General Sewer Plan, Phase I Map Amendment
File No.:	21-1335
Lead Agency:	City of Edgewood
Staff Contact:	Morgan Dorner, Senior Planner (253) 831-4252 morgan@cityofedgewood.org
Applicant:	City of Edgewood Public Works Department
Location:	North and south of 24th Street East, at the intersection of 24 th Street East and 110 th Avenue East, Edgewood, WA 98372
Project Description:	Adopting the City of Edgewood General Sewer Plan DNS and amending the Phase I service area map to establish a Phase I boundary consistent with the boundaries of zoning districts that were established in 2015 with the adoption of the City's current Comprehensive Plan.
Existing Environmental Documents:	City of Edgewood General Sewer Plan, dated June 14, 2007; City of Edgewood Comprehensive Plan Update, dated March 25, 2015;
Document being adopted:	Determination of Nonsignificance (DNS) City of Edgewood General Sewer Plan, prepared by City of Edgewood, issued April 23, 2007
Description of document being adopted:	Adoption of the City's General Sewer Plan; a non-project action used in planning the development of sanitary sewer in three phases.
Addendum to DNS:	As provided WAC 197-11-600(4)(c) and Part Six WAC 197-11-625 Addenda-Procedures this addendum provides additional information and analysis that does not substantially change the environmental analysis and alternatives in the original DNS. The City has identified and adopted the existing DNS as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision maker. This DNS Adoption/Addendum is issued under WAC 197-11-340(2). No appeal period has been provided. Responsible SEPA Official:  22 JUL 2021 Responsible Official Signature Date Darren Groth, Community and Economic Development Director, 2224 104th Ave E, Edgewood, WA 98372, Ph: (253) 952-3299
Documents available:	Documents associated with this proposal will be made available upon request.

Determination of Nonsignificance (DNS)

FILE NUMBER: 2100

DESCRIPTION OF PROPOSAL: Adoption of the City's General Sewer Plan. The General Sewer Plan is a non-project action used in planning the development of the sanitary sewer in the City's service area. The sanitary sewer service area has been divided into three phases according to the order in which areas of the City will be provided sewers.

LOCATION: City of Edgewood Municipal Boundaries

PROPONENT: City of Edgewood

LEAD AGENCY: City of Edgewood

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed SEPA Environmental Checklist and other information on file with the lead agency. This information is available to the public on request.

CONCLUSIONS OF RESPONSIBLE OFFICIAL:

The Responsible Official concludes that pursuant to Washington Administrative Code (WAC) 197-11-340(2), a Determination of Nonsignificance (DNS) may be issued. This conclusion is based on staff review of the SEPA Environmental Checklist and applicable environmental documents.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below.

B. COMMENTS: _____

C. TYPE OF PERMIT OR ACTION REQUESTED: Approval of City's General Sewer Plan

D. ZONING DISTRICT: City-wide

TO BE COMPLETED BY APPLICANT

A. BACKGROUND INFORMATION:

1. Name of Project: **City of Edgewood General Sewer Plan**

2. Name of Applicant: **City of Edgewood**

Mailing Address: **2221 Meridian Avenue East, Edgewood, WA 98371**

Contact Person: **Dave Lorenzen, P.E., Public Works Director** Phone: **253-952-3299**

3. Applicant is (owner, agent, other): **Public Works Director for the City of Edgewood**

4. Name of Legal Owner: **Same as applicant** Phone: **Same**

Mailing Address: **Same**

5. Location. Give general location of proposed project (*street address or nearest intersection streets: section, township and range*).

All lands within the City of Edgewood municipal boundaries

6. Legal description and parcel number

a. Legal description (attach as separate sheet if necessary): **All parcels within the City of Edgewood**

b. Parcel number: **Not Applicable – Non-Project Action**

7. Existing conditions: Give a general description of the property and existing improvements, size, topography, vegetation, soil, drainage, natural features, etc. (*attach as separate sheet if necessary*).

The City of Edgewood is located within the northern section of Pierce County. Edgewood borders the City of Sumner to the east, the City of Puyallup to the south, the cities of Milton and Fife to the west and King County to the north. Eighty percent of the City is located on North Hill, a plateau, with the remaining twenty percent located in the Puyallup Valley.

8. Site Area: **8.5 square miles** Site Dimensions: **Not applicable – Non-Project Action**

9. Project description: Give a brief, complete description of the intended use of the property or project. (Attach site plans as described in the instructions):

The General Sewer Plan is a non-project action used in planning the development of sanitary sewer in the City's service area. The sanitary sewer service area has been divided into three phases according to the order in which areas of the City will be provided with sewers. The City has entered into an agreement to have wastewater services provided by Lakehaven Utility District.

10. Schedule: Describe the timing or schedule (include phasing and construction dates, if possible).

The General Sewer Plan is a three-phase plan to install sewers in the City. Phase I (Meridian Avenue East in Commercial, Mixed Residential, Mixed Use Residential and Town Center corridor is projected to be completed within 20 years. Phase II will begin in 20 years and is projected to be completed 50 years from the beginning of Phase I. Phase III will begin after Phase II.

11. Future Plans: Do you have any plans for future additions, expansion or further activity related to or connected with this proposal? If yes, explain.

Yes. Specific engineering studies will be needed for each phase as that phase develops. See schedule for the phasing of the project.

12. Permits: List all permits for this project from local, state, federal, or other agencies for which you have applied or will apply.

Department of Ecology approval of the General Sewer Plan is required, City of Edgewood construction approval and permits, and permits for construction in the Lakehaven Utility District.

13. Environmental Information: List any environmental information you know about that has been prepared, or will be prepared, directly related to this proposal.

The General Sewer Plan Report (2004) prepared for the City by Parametrix. The Ad Hoc Meridian Corridor Task Force Report: "Presentation of Sewer Alternatives" (December 2002). The City of Edgewood Comprehensive Plan Final Environmental Impact Statement (May 2001).

14. Do you know whether applications are pending for governmental approvals of other proposals directly affecting the property covered by your proposal? If yes, explain.

Washington State Department of Ecology Approval is being sought.

B. ENVIRONMENTAL ELEMENTS

1. Earth

- a. General description of the site (*circle one*): Flat, rolling, hilly, steep slopes, mountainous, other:

The City contains a total of 5,346 acres. The topography within the City is characterized by rolling hills with slopes measuring between zero and eight percent with scattered depressions or potholes. A prominent slope that forms a portion of the Puyllup and White River Valley walls characterizes the southern and eastern edges of the City. Elevations within the City begin at 20 feet above sea level and rise to approximately 500 feet above mean sea level.

- b. What is the steepest slope on the site (*approximate percent slope*)?

Not applicable – Non-Project Action

- c. What general types of soils are found on the site (*for example, clay, sand, gravel, peat, muck*)? If you know the classification of agricultural soils, specify them and note any prime farmland.

Not applicable – Non-Project Action

- d. Are there surface indications or history of unstable soils in the immediate vicinity? If so, describe.

Not applicable – Non-Project Action

- e. Describe the purpose, type and approximate quantities of any filling or grading proposed. Indicate source of fill.

Not applicable – Non-Project Action

- f. Could erosion occur as a result of clearing, construction, or use? If so, generally describe.

Not applicable – Non-Project Action

- g. About what percent of the site will be covered with impervious surfaces after project construction (for example, asphalt or buildings)?

Not applicable – Non-Project Action

- h. Proposed measures to reduce or control erosion, or other impacts to the earth, if any.

Not applicable – Non-Project Action

2. Air

a. What types of emissions to the air would result from the proposal (i.e., dust, automobile, odors, industrial wood smoke) during construction and when the project is completed? If any, generally describe and give approximate quantities if known.

Not applicable – Non-Project Action

b. Are there any off-site sources of emissions or odor that may affect your proposal? If so, generally describe.

Not applicable – Non-Project Action

c. Proposed measures to reduce or control emissions or other impacts to air, if any.

Not applicable – Non-Project Action

3. Water

a. Surface:

1) Is there any surface water body on or in the immediate vicinity of the site (including year-round and seasonal streams, salt water, lakes, ponds, wetlands)? If yes, describe type and provide names. If appropriate, state what stream or river it flows into.

Not applicable – Non-Project Action

2) Will the project require any work over, in, or adjacent to (within 200 feet) the described waters? If yes, please describe and attach available plans.

Not applicable – Non-Project Action

3) Estimate the amount of fill and dredge material that would be placed in or removed from surface water or wetlands and indicate the area of the site that would be affected. Indicate the source of fill material.

Not applicable – Non-Project Action

4) Will the proposal require surface water withdrawals or diversions? Give general description, purpose, and approximate quantities, if known.

Not applicable – Non-Project Action

5) Does the proposal lie within a 100-year floodplain? If so, note location on the site plan.

Not applicable – Non-Project Action

6) Does the proposal involve any discharges of waste materials to surface waters?
If so, describe the type of waste and anticipated volume of discharge.

Not applicable – Non-Project Action

b. Ground:

1) Will ground water be withdrawn, or will water be discharged to ground water?
Give general description, purpose, and approximate quantities, if known.

Not applicable – Non-Project Action

2) Describe waste material that will be discharged into the ground from septic tanks or other sources, if any (for example: domestic sewage; industrial, containing the following chemicals; agricultural; etc.). Describe the general size of the system, the number of such systems, the number of houses to be served (if applicable), or the number of animals or humans the system(s) are expected to serve.

The General Sewer Plan will lead to the construction of a sanitary sewer system that will eventually eliminate septic systems and reduce discharges into the ground.

c. Water Runoff (including storm water):

1) Describe the source of runoff (including storm water) and method of collection and disposal, if any (include quantities, if known). Where will this water flow? Will this water flow into other waters? If so, describe.

Not applicable – Non-Project Action

2) Could waste materials enter ground or surface waters? If so, generally describe.

Not applicable – Non-Project Action

d. Proposed measures to reduce or control surface, ground, and runoff water impacts, if any:

Not applicable – Non-Project Action

4. Plants **Not applicable – Non Project Action**

a. Check or circle types of vegetation found on the site:

_____deciduous tree: alder, maple aspen, other

_____evergreen tree: fir, cedar, pine, other

_____shrubs

_____grass

_____pasture

- _____ crop or grain
_____ wet soil plants: cattail, buttercup, bulrush, skunk cabbage, other
_____ water plants: water lily, eelgrass, milfoil, other
_____ other types of vegetation

b. What kind and amount of vegetation will be removed or altered?

Not applicable – Non-Project Action

c. List threatened or endangered species known to be on or near the site.

Not applicable – Non-Project Action

d. Proposed landscaping, use of native plants, or other measures to preserve or enhance vegetation on the site, if any:

Not applicable – Non-Project Action

5. Animals

a. Circle any birds and animals, which have been observed on or near the site or are known to be on or near the site:

Not applicable – Non-Project Action

birds: hawk, heron, eagle, songbirds, other:

_____ mammals: deer, bear, elk, beaver, other:

_____ fish: bass, salmon, trout, herring, shellfish, other:

b. List any threatened or endangered species known to be on or near the site.

Not applicable – Non-Project Action

c. Is the site part of a migration route? If so, explain.

Not applicable – Non-Project Action

d. Proposed measures to preserve or enhance wildlife, if any:

Not applicable – Non-Project Action

6. Energy and Natural Resources

a. What kinds of energy (electric, natural gas, oil, wood stove, solar) will be used to meet the completed project's energy needs? Describe whether it will be used for heating, manufacturing, etc.

Not applicable – Non-Project Action

- b. Would your project affect the potential use of solar energy by adjacent properties?
If so, generally describe.

Not applicable – Non-Project Action

- c. What kinds of energy conservation features are included in the plans of this proposal? List other proposed measures to reduce or control energy impacts, if any:

Not applicable – Non-Project Action

7. Environmental Health

- a. Are there any environmental health hazards, including exposure to toxic chemicals, risk of fire and explosion, spill, or hazardous waste that could occur as a result of this proposal? If so, describe.

Not applicable – Non-Project Action

- 1) Describe special emergency services that might be required.

Not applicable – Non-Project Action

- 2) Proposed measures to reduce or control environmental health hazards, if any:

Not applicable – Non-Project Action

b. Noise

- 1) What types of noise exist in the area, which may affect your project (for example: traffic, equipment operation, other)?

Not applicable – Non-Project Action

- 2) What types and levels of noise would be created by or associated with the project on a short-term or a long-term basis (for example: traffic, construction, operation, other)? Indicate what hours noise would come from the site.

Not applicable – Non-Project Action

- 3) Proposed measures to reduce or control noise impacts, if any:

Not applicable – Non-Project Action

8. Land and Shoreline Use

- a. What is the current use of the site and adjacent properties?

Not applicable – Non-Project Action

- b. Has the site been used for agriculture? If so, describe.

Not applicable – Non-Project Action

- c. Describe any structures on the site.

Not applicable – Non-Project Action

- d. Will any structures be demolished? If so, what?

Not applicable – Non-Project Action

- e. What is the current zoning classification of the site?

Not applicable – Non-Project Action

- f. What is the current comprehensive plan designation of the site?

Not applicable – Non-Project Action

- g. If applicable, what is the current shoreline master program designation of the site?

Not applicable – Non-Project Action

- h. Has any part of the site been classified as an "environmentally sensitive" area? If so, specify.

Not applicable – Non-Project Action

- i. Approximately how many people would reside or work in the completed project?

Not applicable – Non-Project Action

- j. Approximately how many people would the completed project displace?

Not applicable – Non-Project Action

- k. Proposed measures to avoid or reduce displacement impacts, if any:

Not applicable – Non-Project Action

- l. Proposed measures to ensure the proposal is compatible with existing and projected land uses and plans, if any.

Not applicable – Non-Project Action

9. **Housing**

- a. Approximately how many units would be provided, if any? Indicate whether high, middle, or low-income housing.

Not applicable – Non-Project Action

- b. Approximately how many units, if any, would be eliminated? Indicate whether high, middle, or low-income housing.

Not applicable – Non-Project Action

- c. Proposed measures to reduce or control housing impacts, if any.

Not applicable – Non-Project Action

10. **Aesthetics**

- a. What is the tallest height of any proposed structure(s), not including antennas; what is the principal exterior building material(s) proposed?

Not applicable – Non-Project Action

- b. What views in the immediate vicinity would be altered or obstructed?

Not applicable – Non-Project Action

- c. Proposed measures to reduce or control aesthetic impacts, if any.

Not applicable – Non-Project Action

11. **Light and Glare**

- a. What type of light or glare will the proposals produce? What time of day would it mainly occur?

Not applicable – Non-Project Action

- b. Could light or glare from the finished project be a safety hazard or interfere with views?

Not applicable – Non-Project Action

- c. What existing off-site sources of light or glare may affect your proposal?

Not applicable – Non-Project Action

- d. Proposed measures to reduce or control light and glare impacts, if any.

Not applicable – Non-Project Action

12. Recreation

- a. What designated and informal recreational opportunities are in the immediate vicinity?

Not applicable – Non-Project Action

- b. Would the proposed project displace any existing recreational uses? If so, describe.

Not applicable – Non-Project Action

- c. Proposed measures to reduce or control impacts on recreation, including recreation opportunities to be provided by the project or applicant, if any.

Not applicable – Non-Project Action

13. Historic and Cultural Preservation

- a. Are there any places or objects listed on, or proposed for, national, state or local preservation registers known to be on or next to the site? If so, generally describe.

Not applicable – Non-Project Action

- b. Generally describe any landmarks or evidence of historic, archaeological, scientific, or cultural importance known to be on or next to the site.

Not applicable – Non-Project Action

- c. Proposed measures to reduce or control impacts, if any.

Not applicable – Non-Project Action

14. Transportation

- a. Identify public streets and highways serving the site, and describe proposed access to the existing street system. Show on site plans, if any.

Not applicable – Non-Project Action

- b. Is site currently served by public transit? If not, what is the approximate distance to the nearest transit stop?

Not applicable – Non-Project Action

- c. How many parking spaces would the completed project have? How many would the project eliminate?

Not applicable – Non-Project Action

d. Will the proposal require any new roads or streets, or improvements to existing roads or streets, not including driveways? If so, generally describe (indicate whether public or private).

Not applicable – Non-Project Action

e. Will the project use (or occur in the immediate vicinity of) water, rail, or air transportation? If so, generally describe.

Not applicable – Non-Project Action

f. How many vehicular trips per day would be generated by the completed project? If known, indicate when peak volumes would occur.

Not applicable – Non-Project Action

g. Proposed measures to reduce or control transportation impacts, if any.

Not applicable – Non-Project Action

15. Public Services

a. Would the project result in an increased need for public services (for example: fire protection, police protection, health care, schools, other)? If so, generally describe.

Not applicable – Non-Project Action

b. Proposed measures to reduce or control direct impacts on public services, if any.

Not applicable – Non-Project Action

16. Utilities

a. Circle utilities currently available at the site: electricity, natural gas, water, refuse service, telephone, sanitary sewer, septic system, other.

Not applicable – Non-Project Action

b. Describe the utilities that are proposed for the project, the utilities providing the service, and the general construction activities on the site or in the immediate vicinity, which might be needed.

Not applicable – Non-Project Action

DO NOT USE THIS SHEET FOR PROJECT ACTIONS

D. SUPPLEMENTAL SHEET FOR NONPROJECT ACTIONS

Because these questions are very general, it may be helpful to read them in conjunction with the list of the elements of the environment.

When answering these questions, be aware of the extent the proposal, or the types of activities likely to result from the proposal, would affect the item at a greater intensity or at a faster rate than if the proposal were not implemented. Respond briefly and in general terms.

1. How would the proposal be likely to increase discharge to water; emission to air; production, storage, or release of toxic or hazardous substances; or production of noise?

The proposal to eventually construct a sanitary sewer system will decrease the discharges to water by removing wastewaters from the ground and transferring them to a wastewater collection system, which will transport sewerage to a treatment plant. The system could potentially reduce emission to the air by removing waste from any failing septic, if any, in the project area.

Proposed measures to avoid or reduce such increases are:

No increases are anticipated.

2. How would the proposal be likely to affect plants, animals, fish, or marine life?

No direct impact is anticipated. Indirect favorable impacts would be the removal of hazardous waste conditions, if any, by the installation of the sanitary sewer system.

Proposed measures to protect or conserve plants, animals, fish, or marine life?

None. This is a non-project action. Any impacts to plants, animals, fish or marine life due to the construction of the sanitary sewer system will be addressed at the time construction permits are submitted.

3. How would the proposal be likely to deplete energy or natural resources?

No impact to energy and natural resources is anticipated.

Proposed measures to protect or conserve energy and natural resources are:

None. This is a non-project action. Any potential depletion of energy and natural resources due to the construction of the sanitary sewer system will be addressed at the time construction permits are submitted.

4. How would the proposal be likely to use or affect environmentally sensitive areas or areas designated (or eligible or under study) for governmental protection; such as parks, wilderness, wild and scenic rivers, threatened or endangered species habitat, historic or cultural sites, wetlands, floodplains, or prime farmlands?

Installation of sanitary sewers is anticipated to have a favorable affect on environmentally sensitive areas by removing any potential for sewerage to enter these areas.

Proposed measures to protect such resources or to avoid or reduce impacts are:

Any direct impacts due to the construction of the sanitary sewer system will be addressed at the time construction permits are submitted. Compliance with EMC Title 14 (Critical Areas) will be required if any critical areas are located within the construction area.

5. How would the proposal be likely to affect land and shoreline use, including whether it would allow or encourage land or shoreline uses incompatible with existing plans?

Not applicable – the City does not contain shorelines of statewide significance.

Proposed measures to avoid or reduce shoreline and land use impacts are:

None.

6. How would the proposal be likely to increase demands on transportation or public services and utilities?

The General Sewer Plan will provide the planning foundation for development of the City's sewer utilities. Installation of sanitary sewers is anticipated to increase demand for Lakehaven Utility District's sewer services as septic systems are abandoned in favor of sanitary sewers. Impact to the transportation services is anticipated to be minimal; limited primarily to maintenance crews.

Proposed measures to reduce or respond to such demand(s) are:

Lakehaven Utility District has treatment capacity to handle the anticipated increase in demand on its facilities generated by the City's Phase I general sewer plan. Future demand will be addressed through Lakehaven Utility's Comprehensive Wastewater System Plan and the City's Phase II and III updates to the General Sewer Plan as they occur. The City may also enter into interlocal agreements with other sanitary sewer service providers.

EVALUATION FOR
AGENCY USE ONLY

7. Identify, if possible, whether the proposal may conflict with local, state, or federal laws or requirements for the protection of the environment.

The General Sewer Plan must receive approval by the Department of Ecology. The plan will not conflict with any local, state or federal laws.

ORDINANCE NO. 21-xxxx

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
EDGEWOOD, PIERCE COUNTY, WASHINGTON,
CORRECTING BOUNDARIES WITHIN THE GENERAL SEWER
PLAN, PROVIDING FOR SEVERABILITY; AND
ESTABLISHING AN EFFECTIVE DATE**

WHEREAS, pursuant to RCW 35.67.030, the City has adopted a General Sewer Plan (“GSP”); and

WHEREAS, the GSP, Chapter 11.30 of the Edgewood Municipal Code, and the City’s Comprehensive Plan provide for a phased approach to the provision of sewer service within the City of Edgewood; and

WHEREAS, the City’s 2015 Comprehensive Plan identifies that the Phase I sewer service area is intended for those “parcels along Meridian Ave E and along 24th Street East that are likely to ...require sewer service before other areas within the City, based on their zoning designations;” and

WHEREAS, the City has discovered that the Phase I boundaries within the GSP are inconsistent with the boundaries the zoning districts that were established in 2015 with the adoption of the City’s current Comprehensive Plan and concurrent rezoning effort; and

WHEREAS, City Staff has prepared a correction to the GSP maps to establish a Phase I boundary consistent with the City’s established zoning districts; and

WHEREAS, there are two properties immediately north and south of 24th Street East, at or near the intersection of 24th Street East and 110th Avenue East that are currently being provided sewer service and therefore, should be included within the GSP Phase I boundaries to accurately reflect the actual status of these properties; and

WHEREAS, the City has sufficient sewer capacity to serve the entire area within the current zoning districts, for inclusion within GSP Phase I boundaries as proposed to be corrected; and

WHEREAS, the City reviewed the existing determination of nonsignificance (DNS) and environmental analysis from the Edgewood General Sewer Plan, issued April 23, 2007, and determined that the document meets the City’s current environmental review needs for amending the Phase I sewer service area map for consistency and does not substantially change the environmental analysis, and therefore adopted the existing threshold determination and issued a DNS adoption/addendum on July 26, 2021; and

WHEREAS, the City held a public hearing on the proposed map corrections on August 10, 2021; and

WHEREAS, the City Council of the City of Edgewood finds it in the interest of the public health and safety to amend the City's General Sewer Plan to correct the Phase I boundaries;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EDGEWOOD, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. General Sewer Plan, Phase I Boundaries, Corrected. The City of Edgewood General Sewer Plan is hereby corrected to replace Figures ES-1, ES-2, and ES-3 as shown in the attached Exhibit A, which is adopted and incorporated by reference.

Section 2. Severability. If any section, sentence, clause or phrase of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this ordinance.

Section 3. Effective Date. A summary of this Ordinance consisting of its title shall be published in the official newspaper of the City, and shall take effect and be in full force five (5) days after the date of publication. The full text of this Ordinance shall be mailed without charge, upon request.

PASSED BY THE CITY COUNCIL ON THE 24TH DAY OF AUGUST, 2021

DRAFT

**FIRST AMENDMENT TO AGREEMENT BETWEEN CITY OF EDGEWOOD AND
LAKEHAVEN UTILITY DISTRICT**

WHEREAS, the City of Edgewood ("City" or "Edgewood") and the Lakehaven Water and Sewer District ("LWSD" or "District") entered into an Interlocal Agreement pursuant to RCW Ch. 39.34 dated January 23, 2007 ("ILA"); and

WHEREAS, the ILA established the terms and conditions under which the LWSD accepts, conveys, and treats sewage from residential and non-residential property lying within the City; and

WHEREAS, the parties desires to amend the ILA through this First Amendment to the ILA ("First Amendment");

NOW, THEREFORE, IN CONSIDERATION OF THE PROMISES, COVENANTS, AND AGREEMENTS CONTAINED IN THE INTERLOCAL AGREEMENT, THE PARTIES FURTHER AGREE AS FOLLOWS:

- A. Exhibit C of the ILA is hereby superseded and replaced with Exhibit C-1 attached to this First Amendment and incorporated herein by reference.
- B. All other terms of the ILA remain unchanged and enforceable. In the case of any conflict between the terms of the ILA and this First Amendment, the provisions of this First Amendment shall control.

IN WITNESS THEREOF, the Parties have caused this First Amendment to be executed this ____ day of _____, 2021.

City Of Edgewood Council Agenda Summary Sheet

Subject: Discussion - Puyallup School District - School Zone Beacon MOU	Agenda Item #: 2.C
	For Agenda of: 8/3/2021
	Prepared by: Jeremy Metzler
Attachments (list): 1. DRAFT MOU School Zone Beacons	
Approval of Materials: Jeremy Metzler Dave Gray 7/29/2021 Daryl Eidinger 7/29/2021	Expenditure Required: N/A
	Amount Budgeted: N/A
	Timeline: 08/03/2021 SS 08/10/2021 RCM

Summary Statement:

In an effort to improve pedestrian safety and driver awareness, the City has purchased replacement flashing beacons ("Beacons") for all school zones located within the City, as authorized by Council on April 13, 2021 under Resolution 21-0557. Ten sets of these Beacons are serving two elementary schools and one junior high school operated by the Puyallup School District ("District"). The District has the technological network capability ("Network") to program specific times when the Beacons would be activated, and the City-purchased beacons are compatible with the District's Network. Rather than continue to have City staff confirm the schedule with District staff and program the Beacons, both District and City Staff believe allowing the District to program the Beacons will improve flexibility and be more efficient.

The attached draft Memorandum of Understanding would accomplish this, formalizing coordination and responsibilities between the District and City. Staff is seeking Council's direction on how to proceed with this item, and is prepared to present a resolution authorizing this agreement at the next Regular Council Meeting.

Item History:

N/A

Recommended Action:

Hold a discussion and provide staff guidance regarding Discussion - Puyallup School District - School Zone Beacon MOU

Fiscal Note/Consideration:

This proposed Memorandum of Understanding will allow the Puyallup School District to manage the beacon

scheduling instead of City Staff, thereby allowing those Staff to focus on other tasks and projects.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY OF EDGEWOOD AND
PUYALLUP SCHOOL DISTRICT NO. 3 FOR
OPERATION OF SCHOOL ZONE FLASHING SAFETY BEACONS
LOCATED WITHIN THE CITY OF EDGEWOOD**

THIS MEMORANDUM OF UNDERSTANDING (“Agreement”) is between the City of Edgewood, a municipal corporation (the “City”) and Puyallup School District No. 3, a Washington municipal corporation (the “District”).

WHEREAS, in an effort to improve pedestrian safety and driver awareness, the City has purchased replacement flashing beacons for all school zones located within the City;

WHEREAS, the City has installed ten sets of flashing beacons (“Beacons”) at two elementary schools and one junior high school operated by the District within the City limits, each set including two beacons and a solar panel, in conjunction with a 20 MPH speed limit sign indicating enforced when “Lights Flashing”;

WHEREAS, motor vehicle driver awareness of the Beacons increases when such Beacons are activated at set times during the school day rather than continuously throughout a school day;

WHEREAS, the District has the technological network capability (“Network”) to program specific times when the Beacons would be activated;

WHEREAS, in the interests of improved pedestrian safety, and the continued effective and efficient enforcement of traffic laws, both parties desire to continue having the Beacons flash at set times during the school day;

WHEREAS, the City and the District desire that this Agreement generally outlines the roles and responsibilities of each party pertaining to the operation of the Beacons, each party recognizing, however, that circumstances and/or responsibilities may arise that are not covered by this Agreement;

BASED ON THE FOREGOING, the City and the District agree as follows:

1. **Location of Beacons.** This Agreement pertains to Beacons owned and installed by the City in the following school safety zones located in the City: Northwood Elementary, Mt. View Elementary, and Edgemont Junior High. This Agreement also covers, without the necessity of an Amendment to this Agreement, any Beacons which may be installed by the City in the future that the parties mutually agree, in writing through the parties identified in Section 7 below, would be operated by the District’s Network, so long as they are compatible with the District’s Network.

2. **Operation of Beacons.**

2.1 Except for the City's maintenance responsibility as set forth under Section 3 below, the District shall be responsible for the operation of the Beacons as set forth under Section 1 above, consistent with any state and local laws to the extent applicable to the District's responsibility under this Agreement.

2.2 The Beacons shall generally be activated and flashing, at the sole discretion of the District, on school days and at times consistent with each school's (described under Section 1 above) bell schedule and calendar (hereinafter "District's Bell Schedule"). The parties recognize and acknowledge that changes to the dates and times will occur based upon District needs and circumstances. Prior to the commencement of the school year, the District shall annually provide the City with a written Bell Schedule for each school (described under Section 1 above) and shall notify the City of any such changes within a reasonable period of time of such change. A "reasonable period of time" shall typically be no fewer than 48 hours in advance of the change, except in cases of emergency. The District acknowledges and assumes any and all responsibility and liability arising from exercising such discretion. Following any schedule change, the District shall be solely responsible for verifying the Beacons are operating in accordance with the aforementioned schedule, and shall notify the City in the event the Beacons require maintenance per Section 3 below.

3. **Maintenance of Beacons.** The City shall provide all routine and ordinary maintenance of the Beacons. In the event of the occurrence of any extraordinary circumstance or discovery of any circumstance by the District requiring the need for repair of the Beacons, the District shall provide written notice of such need for repair of the Beacons. The City shall endeavor to diagnose and/or troubleshoot the subject Beacon(s) within five (5) working days of receiving notice, then report to the District with the anticipated remedy and schedule such repair if additional work is required. The parties shall use their best efforts to communicate with each other regarding the need for any such repairs and the timeline for any such repair work.

4. **Term of Agreement.** Either party may terminate this Agreement by giving the other party notice as provided in this section. Notice of termination must be given at least ninety (90) days in advance of termination. Notice shall be in writing and shall be deemed delivered to the party as set forth and at the address identified in Section 7.

5. **Mutual Indemnification.** The City and the District each agree to indemnify, defend, and hold harmless the other and its successors in interest, its principals, agents and assigns, for, from and against all awards, judgments or other assessments for liability, loss, damages, costs and expenses, or other remedies, including but not limited to attorney's fees and costs, that arise or have as their origin any claims or demands for personal injury, property damage, death or any tort, or any claim of any kind or nature whatsoever, to the extent that such claim or demand arises from or in any way relates to the Agreement.

6. **Authority to Enter Agreement.** Each party to this Agreement attests and warrants that it has the authority to enter this Agreement and to fulfill all the terms and conditions contained herein.

7. **Notices.** All notices provided for herein may be delivered by overnight courier service, mailed registered or certified mail, return receipt requested, or transmitted via electronic mail. If a notice is sent via overnight courier, it shall be deemed delivered upon the next business day. If a notice is mailed, it shall be considered delivered three (3) days after deposit in such mail. If a notice is sent via electronic mail, it shall be deemed delivered upon receipt of verification of transmission. The addresses to be used in connection with such correspondence and notices are the following, or such other address as a party shall from time to time direct:

- 7.1 **CITY:**
City of Edgewood
Attn: Jeremy Metzler, Public Works Director
2224 104th Avenue East
Edgewood, WA 98372
jeremy@cityofedgewood.org
- 7.2 **DISTRICT:**
Puyallup School District
Attn: Brian Devereux, Director of Facilities Planning
302 2nd St SE
Puyallup, WA 98372
deverebj@puyallup.k12.wa.us

8. **Disputes, Venue, and Attorney's Fees.** Should any dispute, misunderstanding or conflict arise as to the terms and conditions contained in this Agreement, the parties agree that they shall undertake reasonable attempts at negotiation and compromise, including, but not limited to, informal negotiation, mediation, or arbitration, prior to instituting any legal proceedings. If the parties are unable to resolve any dispute after such reasonable attempts at negotiation and compromise, jurisdiction of any resulting litigation shall be filed in Pierce County Superior Court, Pierce County, Washington. In any action brought to enforce any provisions of this Agreement, the prevailing party shall be entitled to recover from the other party all reasonable costs and reasonable attorney's fees incurred by the prevailing party.

9. **Nonwaiver of Breach.** The failure of either party to insist upon strict performance of any of the covenants and agreements contained herein, or to exercise any option herein contained in any one or more instances shall not be construed to be a waiver or relinquishment of any such, or any other, covenant or agreements; and the same shall be and remain in full force and effect.

10. **Construction.** This Agreement shall not be construed more favorably to one party over another, notwithstanding the fact one party, or its attorney, may have been more responsible for the preparation of the document.

11. **Complete Agreement.** This Agreement fully integrates the understanding of the parties. It supersedes and cancels all prior negotiations, correspondence and communication between the parties with respect to the operation of school zone flashing safety beacons.

12. **Amendments.** Except as described under Section 1, no amendment, alteration, change or modification to this Agreement will be effective unless it is in writing and properly signed by the parties hereto.

13. **Effective Date.** The effective date of this Agreement shall be the date of the last party's signature to this Agreement.

IN WITNESS WHEREOF, this Agreement is made as of the day and year set forth above.

CITY OF EDGEWOOD
QUARTERLY FINANCIAL DISCLOSURE TO THE COUNCIL
SECOND QUARTER 2021 REVIEW OF FINANCIAL POSITION

General Statement of Financial Position:

The City has a strong Fund Balance position for all current expense funds for General Government operations, Street and Surface Water operations, Equipment Replacement needs and the ability to fund 2021 Budgeted Capital Expenditures. Sales tax revenue continues to be robust with 2nd quarter revenues exceeding 1st quarter by \$6k. Property Tax and Surface Water are on track to meet, if not exceed, budget. Utility tax revenues, with the exception of telephone, are meeting budget expectations. Revenue from School Zone Traffic Camera Penalties continues to astound us with \$416k received this year through June.

Permit and Inspection Revenue (fees for services) are lower than budgeted year-to-date; however, second quarter new permit volume continues to be robust with a high volume of building plan review that will translate into a flood of inspection volume in third and likely fourth quarter. The City expects ongoing development activity to continue at a robust pace as one of our two known industrial projects is nearing complete in land use and the City's first five-over-one style mixed use development is progressing through the final hurdles in traffic impact review. The City will be asking Council to approve a move from our existing Combination Inspector to a Plans Review/Inspector, as the current employee came to us with years of experience in fire plan review and the City will be taking over that function from East Pierce Fire & Rescue. Staff plans to absorb this review and inspection activity and after a review of activity volume determine if there is a need to backfill the Combination Inspector position being vacated. We will keep you informed as well as continue to develop our dashboard program for these types of on-going financial indices. Permit Revenue is about \$300k below budget and charges for goods and services about \$141k below budget. With the second half of 2021 ahead of us, these numbers can change dramatically with any of a number of large projects submitting and paying permit fees. The City's fee schedule analysis and upgrade process continues with FCS, somewhat complicated by adding Fire Plan Review and Inspection to the original project scope. We expect to complete the project in the third quarter.

Impact Fees, REET, and infraction revenues are not budgeted in 2021 per Council's approval of a financial policy change to appropriate one-time fees only after they are banked. While not budgeted, we monitor actual revenues to inform the following year capital improvement plan funding levels. Real Estate Excise Tax Fees are a cumulative of \$931k year-to-date. Park Impact Fees are at about \$268k and Traffic about \$430k as of June 30. Also not budgeted was the COVID 19 Assistance received from the Federal Government in the amount of \$1.8 million.

Debt is funded by property owner assessments, none of which are in default. The City will need to do a budget amendment to account for the refinancing of the LID debt, approved by Council in January of this year as well as to appropriate the American Recovery Plan Act funded by the US Treasury.

The Strategic Reserve Fund balance, which can only be expended via Council resolution, is slightly over \$1,350,000 as of June 30 and interest income is continuing to outperform current rates due to the fact the existing bonds were purchased when return rates were higher than they presently are and the remaining bonds are not callable.

The City has continued to operate all normal city services during the pandemic. Staff continues to improve on our development review, processing and inspection services, increase our overall financial oversight practices and increase the headcount of those cross trained in the various support staff task, processes and procedures as a result of increased staffing.

The City currently has no open or known pending lawsuits.

Quarterly Reporting:

- Council has chosen to receive formalized financial position statements quarterly throughout the fiscal year. The Mayor will advise Council of any interim financial concern if/when they occur. Council and the Public have full access to any interim financial data including the City's month end closing documents, as well as any ongoing financial documents such as invoices paid or receipts received, all of which are public records and available by contacting staff. The goal is to provide total access of all financial documentation and tracking information at any point on any day, while streamlining the information into a formalized standardized quarterly update that gives Council and the Public a succinct picture of the City's financial health.
- Quarterly financial disclosure documents will be posted to the City Web site after review by Council in a Study session and review and distribution to the public in a Regular Council Meeting.
- The Mayor and/or the Council have the ability to modify the presentation format and/or the timing of the release of financial information at any time or on an ad hoc basis.

Budget Amendments:

Adjustments to the Budget, which are a normal governmental process, happen through a formalized Budget Amendment presented to Council by the Mayor, specifically amending budget line items, requiring approval of a Budget Amendment Ordinance

Fiscal Note/Consideration:

Sumner Municipal Code

8.14.110 Public nuisance **noise** prohibited.

A. The code enforcement officer, or an officer of the Sumner police department, may determine that a sound constitutes a public nuisance **noise** as defined in this chapter. It is unlawful for any person to cause, or for any person in possession of property to allow to originate from the property, any sound which has been determined a public nuisance **noise** in accordance with chapter [8.16](#) SMC.

B. In addition to the public nuisances listed elsewhere in the Sumner Municipal Code, the following shall also be considered prohibited public nuisances:

1. The creation of frequent, repetitive or continuous **noise** in connection with the starting, operation, repair, rebuilding, or testing of any motor vehicle, motorcycle, off-highway vehicle, or internal combustion engine within class A EDNA, so as to unreasonably disturb or interfere with the peace, comfort and repose of owners or possessors of real property;
2. The creation of any sound by use of a musical instrument, whistle, sound amplifier, stereo, jukebox, radio, television, or other device capable of reproducing loud and raucous **noises** which emanate frequently, repetitively or continuously from any building, structure or property, such as sound originating from a band session, tavern operation, or social gathering so as to unreasonably disturb or interfere with the peace, comfort and repose of owners or possessors of real property. The content of the sound will not be considered in determining a violation. The following acts are considered to be **noise** disturbances, if the **noise** is clearly audible across a real property boundary, or at least 75 feet from the source:
 - a. The frequent, repetitive or continuous sounding of any horn or siren attached to a motor vehicle, except as a warning of danger or as specifically permitted or required by law;
 - b. Sound from motor vehicle sound systems, such as tape players, radios, and compact disc players, operated at a volume so as to be audible greater than 50 feet from the vehicle itself;
 - c. Creating loud and raucous, and frequent, repetitive, or continuous sounds with the human voice;
 - d. Intentional sounding or permitting the sounding outdoors of any emergency warning device where an actual emergency does not exist; provided, that sounds created during maintenance or testing of such emergency warning devices does not constitute a **noise** disturbance;
3. The operation of any commercial motor vehicle with a gross vehicle weight rating (GVWR) of 10,001 pounds or more, or operation of any auxiliary equipment attached to such a vehicle, for a period longer than 10 minutes while the vehicle is stationary, for reasons other than traffic congestion, within 150 feet of a residential use.

C. The foregoing enumeration of acts shall not be construed as excluding other acts which may constitute **noise** disturbances.

D. Sounds which do not exceed the maximum environmental **noise** levels set forth in this chapter may constitute **noise** disturbances. (Ord. 2563 § 2, 2016: Ord. 2263 § 1 (part), 2008)

Milton Municipal Code

9.37.040 Public disturbance noise – Definition.

“Public disturbance noise” means any sound that endangers or injures the safety or health of humans or animals, or endangers or damages personal or real property, or annoys, or disturbs any reasonable person of normal sensitivities, and includes, but is not limited to, those noises listed in subsections A through K.

A. Loud, raucous, frequent, repetitive, or continuous sounds made by any animal.

B. Loud, raucous, frequent, repetitive, or continuous sounds made by any horn or siren attached to a motor vehicle, except such sounds that are made to warn of danger or that are specifically permitted or required by law.

C. Loud, raucous, frequent, repetitive, or continuous sounds made in connection with the starting, operation, repair, rebuilding, or testing of any motor vehicle, motorcycle, off-highway vehicle, or internal combustion engine.

D. Loud, raucous, frequent, repetitive, or continuous sounds created by use of any device capable of producing an impulsive sound such as when being struck by an object, by a whistle, by a sound amplifier, or by any audio equipment such as a radio, tape player, disc player or any other audio device capable of producing, reproducing or amplifying sound so as to be audible greater than 50 feet from the source of sound, whether stationary, portable or in a motor vehicle.

E. Loud, raucous, frequent, repetitive, or continuous sounds made by the amplified or unamplified human voice between the hours of 10:00 p.m. and 7:00 a.m. The content of the speech shall not be considered against any person in determining a violation of this subsection.

F. A sound amplifier or other device capable of producing or reproducing an amplified sound upon public streets for the purpose of commercial advertising or sales or for attracting the attention of the public to any vehicle, structure or property, or the contents therein, except as permitted by law.

G. The creation of any loud and raucous sound within 1,000 feet of any school, hospital, sanitarium, nursing or convalescent facility.

H. Any sound out of doors that interferes with normal conversations at a distance of 50 feet from the source of the sound.

I. Any sound from a motor vehicle, audio sound systems, such as tape players, radios, and compact disc players operated at a volume so as to be audible greater than 50 feet from the vehicle itself.

J. Sound from portable audio equipment such as tape players, radios and compact disc players operated at a volume so as to be audible greater than 50 feet from the source, if not operated upon the property of the operator.

K. Any sound that exceeds the decibel levels set forth in MMC [9.37.020](#).

The foregoing provisions shall not apply to regularly scheduled events at parks such as public address systems for baseball games or park concerts between the hours of 9:00 a.m. and 10:00 p.m. (Ord. 1317 § 1, 1998).

9.37.050 Exemptions.

A. Sounds Exempt at All Times. The following sounds are exempt at all times from the prohibition of this chapter.

1. Sounds originating from aircraft in flight, and sounds which originate at airports and are directly related to flight operations.
2. Sounds created by safety and protective devices such as relief valves where noise suppression would defeat the safety release intent of the device.
3. Sounds created by fire alarms.
4. Sounds created by emergency equipment and work necessary in the interest of law enforcement or for health, safety or welfare of the community.
5. Sounds created by auxiliary equipment on motor vehicles used for maintenance.
6. Sounds created by warning devices or alarms not operated continuously for more than 30 minutes per incident.
7. Sounds created by stationary equipment used in the conveyance of water by utility.
8. Sounds created by electrical substations.
9. Sounds created in the interest of law enforcement or for the health, safety or welfare of the city.

B. Sounds Exempt During Daytime Hours. The following sounds are exempt during daytime hours from the prohibitions of this chapter:

1. Sounds originating from residential property relating to temporary projects for the maintenance or repair of homes, grounds and appurtenances.
2. Sounds created by the discharge of firearms on authorized shooting ranges.
3. Sounds created by blasting.
4. Sounds created by the installation or repair of essential utility services.
5. Sounds created by bells, chimes or carillons not operating for more than five minutes in any one hour.
6. Sounds created by construction equipment and vehicles operating at designated construction sites when operating in compliance with permits issued by the city of Milton or other authorized authority.
7. Noise originating from properly licensed businesses when operating in accordance with the licensing provisions of that business; provided, that all such businesses are subject to MMC [9.37.020](#).
8. Sounds created by bells or music originating from mobile vendors, such as ice cream vendors, provided they are properly licensed.

C. Amplified and unamplified sounds originating from officially sanctioned parades and other city-sponsored or approved public events are exempt from the prohibitions of this chapter. (Ord. 1514 § 1, 2002; Ord. 1317 § 1, 1998).

9.37.055 Variance.

Variances may be granted by the hearing examiner to any person from any particular requirement of this chapter, if the examiner issues findings that immediate compliance with such requirements cannot be achieved because of special circumstances rendering immediate compliance unreasonable in light of economic or physical factors, encroachment upon an existing noise source, or because of the nonavailability of feasible technology or control methods.

A. Any such variance or renewal thereof shall be granted only for the minimum time period found to be necessary under the facts and circumstances.

B. An implementation schedule for achieving compliance with this chapter shall be incorporated into any variance issued.

C. Variances shall be issued only upon an application in writing. The application shall set forth all the information necessary to determine compliance with the variance criteria specified in this section. A public hearing and public notice shall be provided for the variance application pursuant to the procedures that apply to zoning code variances under MMC Title [17](#). The hearing examiner shall hold the public hearings and issue final decisions on noise variance requests. (Ord. 1743 § 4, 2009).

9.37.060 Enforcement.

A. Enforcement of Quantitative Standards. The public works director, or his designated representative, or the Milton police department shall have authority to administer and enforce the quantitative standards provisions of this chapter.

B. Enforcement of Public Disturbance Noise. The Milton police department shall have authority to administer and enforce the public disturbance noise provisions of this chapter.

A citation may be issued by any Milton police officer for a public disturbance noise defined in MMC [9.37.040\(I\)](#) and (J).

A citation may be issued by any Milton police officer for a public disturbance noise defined in MMC [9.37.040\(A\)](#) through (H) only upon receipt of at least two individual complaints. At least one of those complaints must hold an interest in real property located within the city of Milton or be a member of a Milton household. The second complainant may be a police officer. (Ord. 1317 § 1, 1998).

9.37.070 Penalty.

Any person, firm or corporation violating any of the provisions of this chapter shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine in an amount fixed by the court of not more than \$1,000 or by imprisonment for a maximum term fixed by the court of not more than 90 days or by both such fine and imprisonment. Each day that the violation continues shall be deemed a separate violation subject to the maximum penalty therefor. (Ord. 1317 § 1, 1998).

6.16.010 Declaration of policy – Findings of special conditions.

(1) Declaration of Policy. It is hereby declared to be the policy of the city to minimize exposure of citizens to the harmful physiological and psychological effects of excessive noise. It is the express intent of the city council to control the level of noise in a manner which promotes commerce, the use, value and enjoyment of property, sleep and repose, and the quality of the environment.

(2) Findings of Special Conditions. The problem of noise in the city has been observed by the city council and the city staff and is documented by the complaints received and logged in the police department. On the basis of these observations and complaints, the city council finds that special conditions exist within the city which make necessary any and all differences between this chapter and the regulations adopted by the Washington State Department of Ecology. (Ord. 2242 § 1, 1990).

6.16.020 Adoption of state laws and regulations by reference.

Chapter [70.107](#) RCW, Chapters [173-58](#), [173-60](#) and [173-62](#) WAC as existing on the date of enactment of the ordinance codified in this chapter or as hereafter amended by the state of Washington or applicable agencies, is hereby adopted by reference as if fully set forth herein. (Ord. 2242 § 1, 1990).

6.16.030 Definitions.

All technical terminology used in this chapter not defined herein shall be interpreted in conformance with American National Standards Institute Specifications Section 1.4-1983 as now in force or hereinafter amended. For purposes of this chapter, the words and phrases used herein shall have the meaning indicated below:

(1) “EDNA” means the environmental designation for noise abatement, being an area or zone (environment) within which maximum permissible noise levels are established.

(a) “Class A EDNA – Residential Zones” means zones designated in PMC Title [20](#), the Puyallup zoning code, as RS single-family residential zones, RM multiple-family residential zones and PDR planned residential development zones.

(b) “Class B EDNA – Commercial Zones” means zones designated in PMC Title [20](#), the Puyallup zoning code, as C commercial zones, OP professional office zones and PDC planned community development zones.

(c) “Class C EDNA – Industrial Zones” means zones designated in PMC Title [20](#), the Puyallup zoning code as M manufacturing zones.

(2) “Emergency work” means work made necessary to restore property to a safe condition following a public calamity, work required to protect persons or property from imminent exposure to danger, or work by private or public utilities for providing or restoring immediately necessary utility service.

(3) “Motorcycle” means any motor vehicle having a saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, except farm tractors and such vehicles powered by engines of less than five horsepower.

(4) “Motor vehicle” means any vehicle which is self-propelled, used primarily for transporting persons or property upon public highways, and required to be licensed under RCW [46.16.010](#).

(5) “New motor vehicle” means a motor vehicle manufactured after December 31, 1976, the equitable or legal title of which has never been transferred to a person who, in good faith purchases the new motor vehicle for purposes other than resale.

(6) “Noise” means the intensity and duration character of sounds from any and all sources.

(7) “Off-highway vehicle” means any self-propelled motor driven vehicle not used primarily for transporting persons or property upon public highways nor required to be licensed under RCW [46.16.010](#).

(8) “Person” means any individual, firm, association, partnership, corporation, or any other entity, public or private.

(9) “Property boundary” means the survey line at ground service which separates the real property owned, rented, or leased by one or more other persons and its vertical extension.

(10) “Public nuisance noise” means any sound which unreasonably either annoys, injures, interferes with, or endangers the comfort, repose, health or safety of three or more persons residing within separate residences in the same community or neighborhood, although the extent of the damage may be unequal. (Ord. 2365 § 1, 1993; Ord. 2242 § 1, 1990).

6.16.040 Motor vehicle noise – Specific prohibitions.

(1) Mufflers. It is unlawful for any person to operate a motor vehicle upon the public highways which is not equipped with a muffler in good working order, in constant operation, and in accordance with state regulations adopted by the State Patrol.

(2) Tire Noise. It is unlawful for any person to operate a motor vehicle in such a manner as to cause or allow to be emitted squealing, screeching, or other such sounds from the tires in contact with the ground because of rapid acceleration or excessive speed around corners or other such reason provided that noise resulting from emergency braking to avoid imminent danger shall be exempt from this section.

(3) Alteration of Motor Vehicles. It is unlawful for any person to change or modify any part of a motor vehicle or install any device thereon in any manner that permits sound to be emitted by the motor vehicle which violates this chapter. (Ord. 2242 § 1, 1990).

6.16.050 Public nuisances and disturbance noises.

(1) Public Nuisance Noises. It is unlawful for any person to cause or allow to be emitted a noise which has been determined to be a public nuisance noise as defined herein.

(2) Public Disturbance Noise. It is unlawful for any person to cause or any person in possession of property to allow to originate from the property, sound that is a public disturbance. No sound source specifically exempted from this chapter shall be a public nuisance noise or public disturbance noise in so far as the particular source is exempted. The following source of sound shall be public disturbance noises:

(a) Frequent, repetitive, or continuous noise made by any animal which unreasonably disturbs or interferes with the peace, comfort, and repose of property owners or possessors, except that such sounds made by animal shelters, or commercial kennels, veterinary hospitals, pet shops, or pet kennels licensed under and in compliance with applicable regulations shall be exempt from this subsection. Notwithstanding any other provision of this chapter, if the owner or other person having custody of the animal cannot, with reasonable inquiry, be located by the investigating officer, or if the animal is a repeat violator of this subsection, the animal shall be impounded by the animal control officer or his designee, subject to redemption in the manner provided by Chapter [8.04](#) PMC;

(b) The frequent, repetitive or continuous sounding of any horn or siren attached to a motor vehicle except as a warning of danger or specifically permitted or required by law;

(c) The creation of frequent, repetitive, or continuous noise in connection with the starting, operation, repair, rebuilding, or testing of any motor vehicle, motorcycle, off-highway vehicle, or internal combustion engine in any residential zone so as to unreasonably disturb or interfere with the peace, comfort, and repose of owners or possessors of real property;

(d) The use of a sound amplifier or other device capable of producing or reproducing amplified sounds from the property of a business operation which is intended to either attract the attention of the potential customers to the business or to communicate with employees who are at extended portions of the business property. Prior to January 1, 2010, any such sound amplifier, loudspeaker or pager shall not violate the levels set forth in WAC [173-60-040](#), except the provisions of WAC [173-60-040](#)(2)(c) shall not apply to sounds created by sound amplifiers or other device capable of producing or reproducing amplified sounds originating from Class A EDNA, Class B EDNA or Class C EDNA, when such sounds are received by residential zones. As of January 1, 2010, no such sound amplifier, loudspeaker or pager shall be audible to the human ear beyond any perimeter of the subject business property;

(e) The making of any loud and raucous noise which unreasonably interferes with the use of any school, church, hospital, sanitarium or nursing or convalescent facility;

(f) The creation by use of a musical instrument, whistle, sound amplifier, stereo, jukebox, radio, television, or other device capable of reproducing sound and raucous noises which emanate frequently, repetitively, or continuously from any building, structure, or property, such as sounds originating from a band session, tavern operation or commercial sales lot;

(g) Public disturbance noise from portable or motor vehicle audio equipment:

(i) While in park areas, residential or commercial zones, or any area where residences, schools, human service facilities or commercial establishments are in obvious proximity to the source of the sound, it is unlawful for any person to negligently cause, make or allow to be made from audio equipment under such person's control or ownership the following:

(A) Sound from a motor vehicle audio system, such as a radio, tape player or compact disc player, which is operated at such a volume that it could be clearly heard by a person of normal hearing at a distance of 50 feet or more from the vehicle itself; or

(B) Sound from portable audio equipment, such as a radio, tape player or compact disc player, which is operated at such a volume that it could be clearly heard by a person of normal hearing at a distance of 50 feet or more from the source of the sound.

(ii) This section shall not apply to persons operating portable audio equipment within a public park pursuant to an event under a permit issued by the city. (Ord. 2784 § 1, 2004; Ord. 2365 § 2, 1993; Ord. 2242 § 1, 1990).

6.16.060 Noises exempt – Completely or partially.

(1) The following noises are exempt from the provisions of this chapter at all times, provided, that nothing in these exemptions is intended to preclude the possible reduction of noise consistent with economic feasibility:

- (a) Noise originating from aircraft in flight, and sounds which originate at airports and are directly related to flight operations;
- (b) Noise created by safety and protective devices, such as relief valves where noise suppression would defeat the safety relief intent of the device;
- (c) Noise created by fire alarms, or noise created by emergency equipment, including but not limited to emergency standby or back-up equipment, and emergency work necessary in the interests of law enforcement or of the health, safety, or welfare of the community, and including, but not limited to, any emergency work necessary to replace or repair essential utility services;
- (d) Noise created by auxiliary equipment on motor vehicles used for highway maintenance;
- (e) Noise originating from officially sanctioned parades, sporting events, and other public events, including but not limited to, events conducted by or at the Fairgrounds of the Western Washington Fair;
- (f) Noise created by warning devices not operated continuously for more than 30 minutes per incident;
- (g) Noise created by motor vehicles when regulated by PMC [6.16.030](#);
- (h) Noise created by natural phenomenon and unamplified human voices;
- (i) Noise created by motor vehicles, licensed or unlicensed when operated off public highways except when such sounds are received in residential zones of the city;
- (j) Noise created by existing stationary equipment used in the conveyance of water by utilities and noise created by existing electrical substations;
- (k) Noise created by sources in industrial districts which over the previous three years have consistently operated in excess of 15 hours per day as a demonstrated routine or as a consequence of process necessity;

(l) Noise created from school marching bands while practicing for parades on public streets.

(2) The following sources of noise are exempt or partially exempt from the provisions of this chapter:

(a) Noise created by the operation of equipment or facilities of surface carriers engaged in commerce by railroad;

(b) Noise emanating from temporary construction sites except between the hours of 10:00 p.m. and 7:00 a.m.;

(c) The public works director, or his or her designee, shall have the authority to prohibit, or to allow with or without mitigating conditions, noise that emanates from construction or related activity during evening or nighttime hours.

(3) It is the intention of city council to consider amendments to this chapter controlling the sources exempted in subsection (2) of this section whenever the Washington State Department of Ecology promulgates specific regulations relating to the specific sources in the future. (Ord. 3063 § 1, 2014; Ord. 2671 § 1, 2000; Ord. 2503 § 1, 1997; Ord. 2242 § 1, 1990).

6.16.070 Noises exempt – Daylight hours.

The following noises shall be exempt from the provisions of this chapter between the hours of 7:00 a.m. and 10:00 p.m. on weekdays and 9:00 a.m. and 10:00 p.m. on weekends:

(1) Noise created by powered equipment used in temporary or periodic maintenance or repair of resident property including but not limited to grounds and appurtenances, such as, but not limited to lawn mowers, powered hand tools, and composters;

(2) Noise created by the discharge of firearms on authorized shooting ranges;

(3) Noise created by the installation and repair of essential utility services;

(4) Noise created by blasting;

(5) Noise created by bells, chimes, or carillon not operated for more than five minutes in any one hour. (Ord. 2242 § 1, 1990).

6.16.080 Enforcement – Complaints.

(1) Complaint Only Basis. Only after a complaint has been received from an identified person who owns, rents, or leases property that is affected by a noise source may a civil infraction be

issued; provided, that the section of this chapter relating to motor vehicles and noise emanating therefrom shall be subject to enforcement proceedings regardless of whether a complaint has been received; provided further, that with the exception of motor vehicle noises, noise created by industrial areas are to be enforced by the state of Washington.

(2) Separate Offenses. For enforcement purposes, each day defined as a 24-hour period beginning at 12:01 a.m. in which a violation of this chapter occurs, shall constitute a separate violation. (Ord. 3012 § 2, 2012; Ord. 2242 § 1, 1990).

6.16.090 Provisions not exclusive.

The provisions of this chapter shall be accumulative and not exclusive, and shall not affect any other claim, cause of action or remedy, nor, unless specifically provided, shall this chapter be deemed to repeal, amend, or modify any law, ordinance, or regulation relating to noise, but shall be deemed additional to existing legislation and common law on noise. (Ord. 2242 § 1, 1990).

6.16.100 Violation.

(1) Punishment. Any violation of the provisions of the ordinance codified in this chapter shall be punishable as a civil infraction with a maximum penalty of \$250.00.

(2) Evidence in Proceedings. In any proceeding under this chapter, unless specifically required by regulations adopted herein by reference, evidence of sound level through the use of sound level meter readings shall not be necessary to establish the commission of the violation.

(3) Each day of violation shall be deemed a separate violation. (Ord. 2242 § 1, 1990).

6.16.110 Severability.

Pierce County Noise Ordinance:

8.76.010 Scope and Authority.

This Chapter shall apply to the control of all sound originating within the unincorporated areas of Pierce County and is adopted pursuant to RCW Chapter [70.107](#), the Noise Control Act of 1974, in order to establish maximum noise levels permissible in identified environments, and to provide use standards relating to the reception of noise within such environments. (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.010)

8.76.020 Definitions.

As used in this Chapter, unless the context or subject matter clearly requires otherwise, the following words or phrases shall have the following meanings:

- A. "Background sound level" means the level of all sounds in a given environment, independent of the specific source being measured.
- B. "dBA" means the sound pressure level, in decibels measured using the "A" weighting network on a sound level meter. The sound pressure level, in decibels, of a sound is 20 times the logarithm to the base 10 of the ratio of the pressure of sound to a reference pressure of 20 micropascals.
- C. "EDNA" means the environmental designation for noise abatement, being an area of zone (environment) within which maximum permissible noise levels are established.
- D. "Health Department" means the Tacoma-Pierce County Health Department.
- E. "Health Officer" means the Director of the Tacoma-Pierce County Health Department, or his authorized representative.
- F. "Multi-family units" includes, but is not limited to, duplexes, triplexes, apartment houses and condominiums. The property lines of such units shall include the wall, ceilings and floors of each unit.
- G. "Noise" means the intensity, duration and character of sounds, from any and all sources.
- H. "Noise Control Hearing Board" means a Board which is designated by the Health Department to hear and decide noise variance cases.
- I. "Noise Control Office" means that division of the Health Department which has the duties and powers established by this Chapter.
- J. "Owner" includes the owner or owners of the premises or lesser estate therein, a mortgage or vendee in possession, an assignee for rents, receiver, executor, trustee or other person, firm or corporation in control of a building or property.
- K. "Person" means any individual, corporation, partnership or association and the agents, employees, servants and legal successors thereof; or agency of state, county or municipal government; or agency of the federal government which is subject to the jurisdiction of the State of Washington.

- L. "Property boundary" means the surveyed line at ground surface, which separates the real property owned, rented, or leased by one or more persons, from that owned, rented, or leased by one or more other persons, and its vertical extension.
- M. "Racing event" means any motor vehicle competition conducted under a permit issued by a governmental authority having jurisdiction or, if such permit is not required, then under the auspices of a recognized sanctioning body.
- N. "Receiving property" means real property within which the maximum permissible noise levels specified herein shall not be exceeded from sources outside such property.
- O. "Shoreline" means the existing intersection of water with the ground surface or with any permanent shore connected facility.
- P. "Sound level meter" means a device which measures sound pressure levels and conforms to Type 1, S1A, 2 or S2A as specified in the American national Standards Institute Specifications.
- (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.020)

8.76.030 Noise Control Officer – Creation.

There is created a position of Noise Control Officer within the Health Department. (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.030)

8.76.040 Noise Control Officer – Powers and Duties.

In order to implement this Chapter, the Noise Control Officer or his designee shall:

- A. Conduct, or cause to be conducted, research, monitoring and other studies related to sound;
- B. Conduct programs or public education related to causes, effects and methods to abate and control noise;
- C. Encourage the participation of public interest groups in such public information efforts;
- D. Coordinate with the noise control activities of all County departments;
- E. Cooperate with all appropriate state and federal agencies;
- F. Draft needed noise control regulations;
- G. Enter into contracts with the approval of the Health Officer and the County Executive for providing technical and enforcement services;
- H. Review public and private projects and advise whether such projects are likely to cause violations of this Chapter;
- I. Require the owner or operator of any commercial or industrial activity to establish and maintain records regarding noise emissions and make such reports as the Noise Control Officer may reasonably prescribe;
- J. Require the owner or operator of any commercial or industrial activity to measure the sound level from any source in accordance with the methods and procedures and at such locations and times as the

Noise Control Officer may reasonably prescribe and to furnish reports of the results of such measurements to the Noise Control Officer. The Noise Control Officer may require the measurements to be conducted in the presence of his enforcement officials;

K. Delegate functions, where appropriate under this Chapter, to personnel within the Health Department and to other agencies or departments, subject to approval of the Health Officer;

L. Administer noise program grants and other funds and gifts from public and private sources;

M. Evaluate and report to the Health Officer every year following the effective date of this Chapter on the effectiveness of the County Noise Control Program and make recommendations for any legislative or budgetary changes necessary to improve the program.

(Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.040)

8.76.050 Identification of Environments.

A. The EDNA of any property shall be based on the following typical uses:

1. Class A EDNA. Lands where human beings reside and sleep. Typically, Class EDNA will be the following types of property used for human habitation:

- a. Residential;
- b. Multiple-family living accommodations;
- c. Recreational and entertainment (e.g., camps, parks, camping facilities and resorts);
- d. Community service (e.g., orphanages, homes for the aged, hospitals, health and correctional facilities);

2. Class B EDNA. Lands involving uses requiring protection against noise interference with speech. Typically, Class B EDNA will be the following types of property:

- a. Commercial living accommodations;
- b. Commercial dining establishments;
- c. Motor vehicle services;
- d. Retail services;
- e. Banks and office buildings;
- f. Miscellaneous commercial services;
- g. Recreation and entertainment; property not used for human habitation (e.g., theaters, stadiums, fairgrounds and amusement parks);
- h. Community services; property not used for human habitation (e.g., educational, religious, governmental, cultural and recreational facilities).

3. Class C EDNA. Lands involving economic activities of such a nature that higher noise levels than experienced in other areas are to be anticipated. Persons working in these areas are normally covered by noise control regulations or the Department of Labor and Industries. Uses typical of

Class A EDNA are generally not permitted within such areas. Typically, Class C EDNA will be the following types of property:

- a. Storage, warehouse and distribution facilities;
- b. Industrial property used for the production and fabrication of durable and nondurable manmade goods;
- c. Agricultural and silvicultural property used for the production of crops, wood products or livestock.

B. Subject to subsection D. of this Section, EDNA land classification shall conform with the County zoning codes as follows:

1. Zones primarily utilized for residential purposes in the County include: RE, SR, ST, RR, RML, RM, RMH, RMP and SA – Class A EDNA. Any future zoning change will also control the EDNA classification, i.e., if zoned R-2 is changed to M-1, the M-1 EDNA would apply.
2. Zones primarily utilized for commercial purposes in the County include: C-1, C 2, C-3, PS-1, PS-2, PSC, FS, HAS and PE – Class B EDNA.
3. Zones primarily utilized or potentially utilized for industrial purposes in the County include: M-1, M 2, MP, A – Class C EDNA. EDNA designations shall be amended as necessary to conform to zone changes under the zoning ordinance.
4. The general use zone in the County shall be governed on the basis of current use; therefore, if a residential area abuts an industrial or commercial use, it will be considered a Class A EDNA.

C. Subject to subsection D. of this Section, in areas not covered by a local zoning ordinance but within the coverage of an adopted Pierce County comprehensive plan, EDNA's shall conform with the comprehensive plan as follows:

1. Primarily residential areas – Class A EDNA;
2. Primarily commercial areas – Class B EDNA;
3. Primarily industrial areas – Class C EDNA. EDNA designations shall be amended as necessary to conform to changes in the comprehensive plan.

D. Where in the County there is neither a zoning ordinance in effect nor an adopted comprehensive plan, the Health Department shall designate EDNA's which conform to the criteria in subsections A.1., 2. and 3. of this Section.

E. Where no specific prior designation of EDNA's has been made, the appropriate EDNA for properties involved in any enforcement activity will be made by the Noise Control Officer on the basis of the criteria of subsections A.1., 2. and 3. of this Section.

F. The Health Department may make special designations of lands where serenity, tranquility or quiet are essential to the quality of the environment and serves an important public need. If so approved, such designation will not be effective until approved by the County Executive and the Washington State

Department of Ecology and until maps of such designations are available for public inspection in the Health Department.

(Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.050)

8.76.060 Maximum Permissible Environmental Noise Levels.

A. No person shall cause or permit noise to intrude into the property of another person which noise exceeds the maximum permissible noise levels set forth in subsection B. of this Section.

B. 1. The noise limitations established are as set forth in the following table after any applicable adjustments provided for in this Chapter are applied.

EDNA of Noise Source	EDNA of Receiving Property		
	Class A	Class B	Class C
Class A	55 dBA	57 dBA	60 dBA
Class B	57 dBA	60 dBA	65 dBA
Class C	60 dBA	65 dBA	70 dBA

2. Between the hours of 10 p.m. and 7 a.m., the noise limitations of the foregoing table shall be reduced by 10 dBA for receiving property within Class A EDNA's.

3. At any hour of the day or night the applicable noise limitations in subsections B.1. and 2. of this Section may be exceeded for any receiving property by no more than:

- a. 5 dBA for a total of 15 minutes in any 1-hour period; or
- b. 10 dBA for a total of 5 minutes in any 1-hour period; or
- c. 15 dBA for a total of 1.5 minutes in any 1-hour period.

(Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.060)

8.76.070 Exemptions.

A. The following shall be exempt from Section [8.76.060](#) between the hours of 7 a.m. and 10 p.m.:

1. Sounds originating from residential property relating to temporary projects for the construction, maintenance or repair of homes, grounds and appurtenances;
2. Sounds created by the discharge of firearms on authorized shooting or firing ranges;
3. Sounds created by blasting;
4. Sounds created by aircraft engine testing and maintenance not related to flight operations, provided that aircraft testing and maintenance shall be conducted at remote sites whenever possible;
5. Sounds created by the installation or repair of essential utility services.

B. The following shall be exempt from subsection B.2. of Section [8.76.060](#):

1. Noise from electrical substations and existing stationary equipment used in the conveyance of water or wastewater by a utility;
 2. Noise from existing industrial installations which exceed the standards contained in these regulations and which, over the previous three years, have consistently operated in excess of 15 hours per day as a consequence of process necessity and/or demonstrated routine normal operation. Changes in working hours which would effect exemptions under this regulation require approval of the Noise Control Officer.
- C. The following shall be exempt from Section [8.76.060](#), except insofar as such provisions relate to the reception of noise within Class A EDNA's between the hours of 10 p.m. and 7 a.m.:
1. Sounds originating from temporary construction sites as a result of construction activity;
 2. Sounds originating from forest harvesting and silvicultural activity.
- D. The following shall be exempt from Section [8.76.060](#):
1. Sounds created by motor vehicles when regulated by WAC Chapter [173-62](#);
 2. Sounds originating from aircraft in flight and sounds that originate at airports which are directly related to flight operations;
 3. Sounds created by surface carriers engaged in interstate commerce by railroad;
 4. Sounds created by warning devices not operated continuously for more than five minutes or bells, chimes and carillons;
 5. Sounds created by safety and protective devices where noise suppression could defeat the intent of the device, or is not economically feasible;
 6. Sounds created by emergency equipment and work necessary in the interests of law enforcement or for health, safety or welfare of the community;
 7. Sounds originating from motor vehicle or motorcycle racing events at existing authorized facilities, or being sanctioned by a responsible authority;
 8. Sounds originating from officially sanctioned parades and other public events;
 9. Sounds emitted from petroleum refinery boilers during startup of said boilers; provided, that the startup operation is performed during daytime hours whenever possible;
 10. Sounds created by the discharge of firearms in the course of hunting;
 11. Sounds caused by natural phenomena and unamplified human voices;
 12. Animal noises which are already regulated;
 13. Sounds created by motor vehicles, licensed or unlicensed, when operated off public highways except when such sounds are received in Class A EDNA's;
 14. Sounds created by watercraft are excluded from this Chapter when regulated by Chapter [8.88](#) of this Code.

(Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.070)

8.76.080 Noise Control Hearings Board.

The Board of Health shall designate an Appeal Board which shall hear and decide requests for noise variance cases. The Appeal Board may also hear appeals from rulings of the Noise Control Officer. Subject to approval of the Health Officer, the Board shall adopt such rules and regulations as may be necessary to administer its responsibility. (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.100)

8.76.090 Variances and Implementation Schedules.

- A. Variances may be granted to any person from any other particular requirement of this Chapter if findings are made by the Appeal Board that immediate compliance with such requirements cannot be achieved because of special circumstances rendering immediate compliance unreasonable in light of economic or physical factors, encroachment upon an existing noise source, or because of nonavailability of feasible technology or control methods. Any such variance or renewal thereof shall be granted only for the minimum time period found to be necessary under the facts and circumstances.
- B. An implementation schedule for achieving compliance with this Chapter shall be incorporated into any variance issued.
- C. Variances shall be issued only upon application in writing and after providing such information as may be requested. No variance shall be issued for a period of more than 30 days except upon due notice to the public with opportunity to comment.
- D. Sources of noise, subject to this Chapter, upon which construction begins after the effective date of the ordinance codified in this Chapter, shall immediately comply with the requirements of this Chapter, except in extraordinary circumstances where overriding considerations of public interest dictate the issuance of a variance.

(Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.110)

8.76.100 Enforcement Policy.

Noise measurement for the purposes of enforcing the provisions of Section [8.76.060](#) shall be measured in dBA with a sound level meter with the point of measurement being at any point within the receiving property. Such enforcement shall be undertaken only upon receipt of a complaint made by a person who resides, owns property, or is employed in the area affected by the noise complained of, except for parks, recreational areas and wildlife sanctuaries. (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.120)

8.76.110 Appeals.

Any person aggrieved by any decision of the Noise Control Officer in relation to the enforcement of the maximum permissible noise levels provided for in this Chapter or the granting or denial of a variance may appeal to the Appeals Board. (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.130)

8.76.120 Violation – Penalty.

For enforcement purposes, each day is defined as the 24-hour period beginning at 12:01 a.m., in which violation of this Chapter occurs, and shall constitute a separate violation. Any violation of this Chapter shall be punishable by a fine not to exceed \$500.00 for each violation. (Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.140)

8.76.130 Other Rights, Remedies, Powers, Duties and Functions.

A. Nothing in this Chapter shall be construed to deny, abridge or alter alternative right of action or remedies in equity or under common law or statutory law, criminal or civil.

B. Nothing in this Chapter shall deny, abridge or alter any powers, duties and functions relating to noise abatement and control now or hereafter vested in any State agency, nor shall this Chapter be construed as granting jurisdiction over the industrial safety and health of employees in work places, as now or hereafter vested in the Department of Labor and industries.

(Ord. [81-52](#) § 1 (part), 1981; prior Code § 66.10.150)
